The background is a dark navy blue. In the center is a bright yellow rectangular card with rounded corners and a thin black border. On the card, the words 'Thank You !' are written in a large, bold, black sans-serif font. To the left of the card, a purple rocket with a blue flame is launching upwards, leaving a white smoke trail. To the right, a large, realistic-looking orange pencil is positioned vertically, pointing towards the top right. The background is decorated with various white line-art icons: several interlocking gears of different sizes, a lightbulb with a yellow star inside, a plus sign, a wavy line, a steering wheel, a small gear, a bolt, and a nut. On the yellow card, there are also small icons: a clock face in the top right, a 3x3 grid of dots in the bottom right, and a cluster of three interlocking gears, a bolt, and a nut in the bottom left. A small white paper clip is attached to the left edge of the yellow card.
