Topic

The background is a dark, textured surface with faint, light-colored gear patterns. A large, bright yellow rectangular card with rounded corners is centered. On the card, the words 'Thank You !' are written in a large, bold, black sans-serif font. To the left of the card, a purple rocket with a blue flame is launching upwards. To the right, a large, detailed orange pencil with a black eraser and a sharp lead tip is positioned vertically. Various small, light-colored icons are scattered around the card, including a plus sign, a lightbulb with a star inside, a wavy line, a steering wheel, and several gears of different sizes. On the card itself, there are also small icons: a clock face in the top right, a grid of dots in the bottom right, and a cluster of gears and a bolt in the bottom left.

**Thank
You !**
