Topic

Topic

The background is a dark, textured surface with faint, light-colored gear patterns. A large, bright yellow rectangular card with rounded corners is the central focus. On the left side of the card, a purple rocket with a blue flame is launching upwards. A white paperclip is attached to the top left corner of the card. On the right side, a large, detailed orange pencil is positioned vertically, pointing towards the top right. Various small icons are scattered around the card: a clock face at the top right, a plus sign, a lightbulb with a yellow star inside, a wavy line, a steering wheel, and several gears of different sizes. At the bottom left of the card, there are small icons of a gear, a bolt, and a nut. The text 'Thank You !' is written in a large, bold, black sans-serif font in the center of the yellow card.

**Thank
You !**
